

**THE CAREER DEVELOPMENT CENTER
FACULTY & STAFF NEWSLETTER**

First Edition

Welcome to the first edition of the OSU Career Development Center Faculty & Staff Newsletter. This email containing data from the past term, upcoming events, exciting jobs for students, and announcements for faculty and staff will be coming to you each term. We are thrilled to be partnering with you to promote career development for all OSU students.

Fall Term Wrap-Up

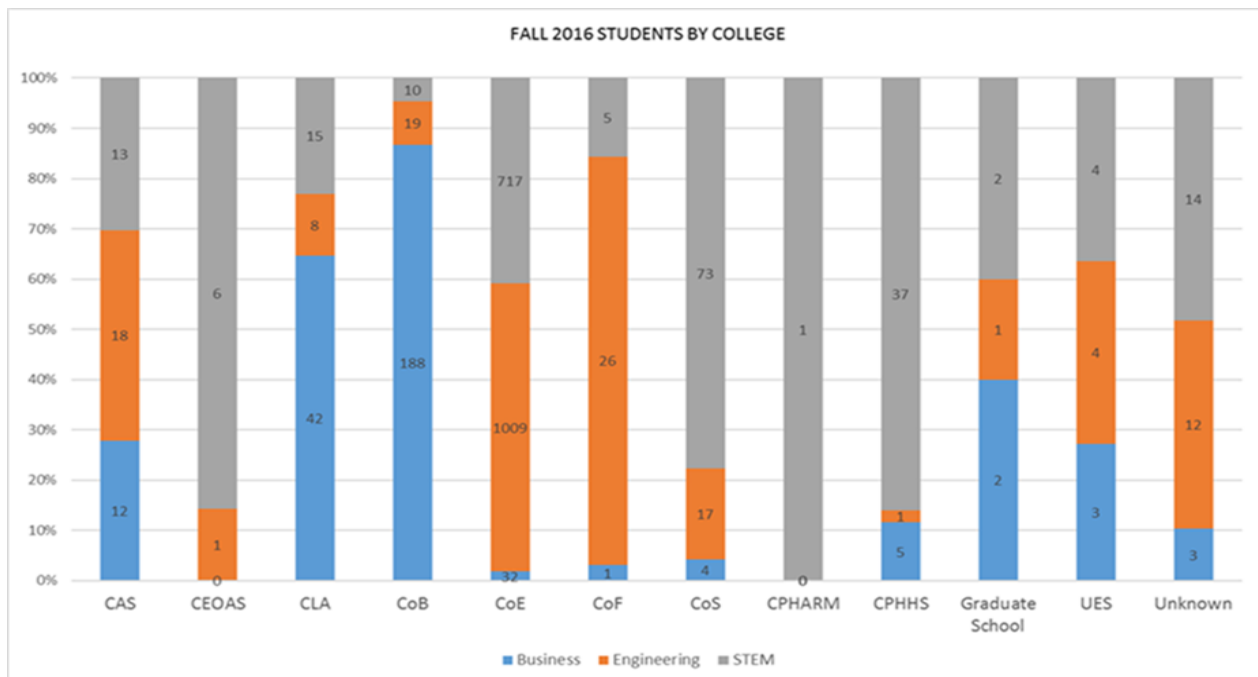

Fall term was incredibly busy. Over the course of the term, the Career Development Center hosted 330 employers for on-campus recruiting. We introduced a new event, the Prepare Fair, as part of the Career Expo, where we had the opportunity to partner with departments across campus to promote Career Expo events and raise awareness for involvement in those departments. We held resume and cover letter drop-in appointments at the Prepare Fair, where our assistant directors and career assistants saw 45 students over the course of the event.

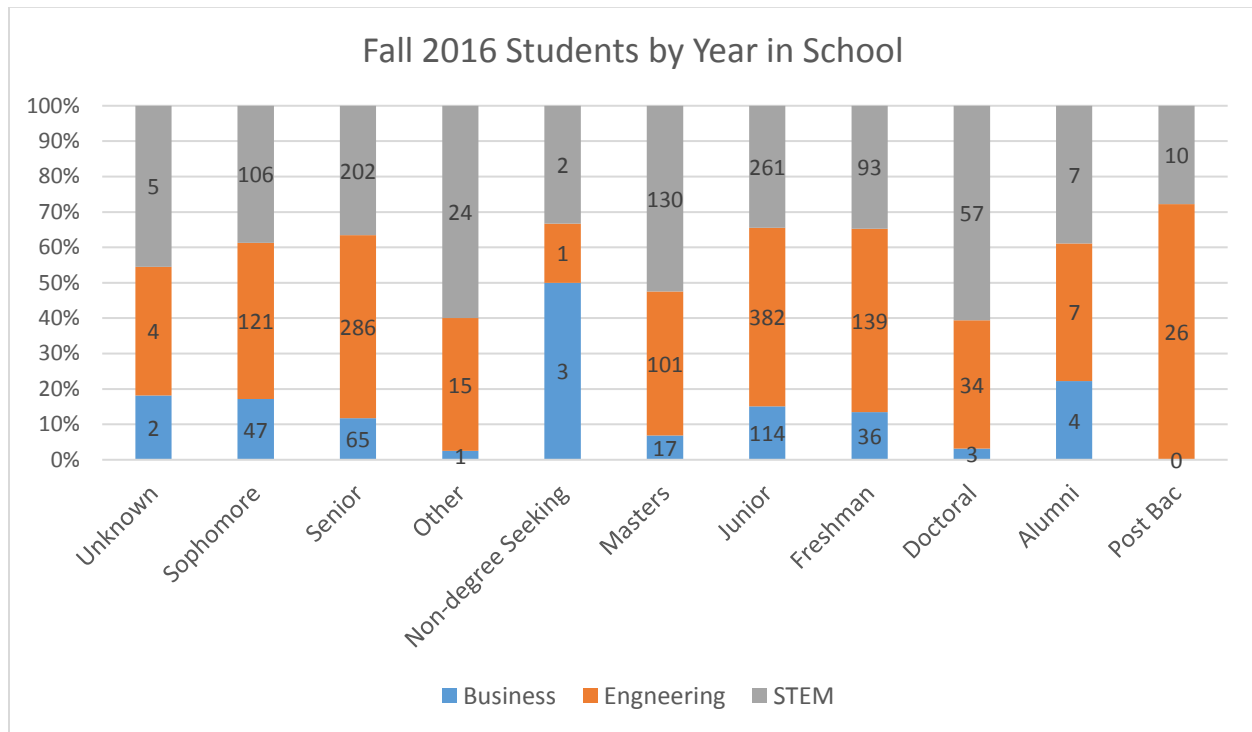

Fall Career Expo

The Career Expo was slightly different this term than it has been in the past; in an effort to give students the opportunity to speak with more employers from a wider range of fields, the Career Development Center expanded our fairs to three days, and each day was aligned to a specific group of industries. We saw an incredible number of students at all our Expo events this term:

- **Number of Students Attending Career Expo Events**
 - Speed Mock Interviews - 84
 - Business & Communications Fair - 293
 - Engineering Fair - 1117
 - STEM & Health Fair - 898
 - Number of Interviews at Interview Days – 473

Here is the breakdown of students attending each day of the fair, by college and by year in school:

Employer Expo Information

Of course, we can't forget about our employer participation. This term, we saw a huge number of employers interacting with our students; please see the breakdown below:

- **Number of employers that attended:**

- Prepare Fair - 2
- Speed Mock Interviews - 18
- Business & Communications Fair - 87
- Engineering Fair - 117
- STEM & Health Fair - 83
- Interview Days - 62

- **Feedback from the employer survey:**

- Top five skills listed as *crucial* skills:
 - Strong work ethic
 - Communicate effectively within and outside of the organization/industry
 - Effective written communication
 - Problem solving/critical thinking
 - Effectively plan and prioritize work

- **Number of jobs posted on Beaver Careers at the time of the Expo:**

- Internships - 161
- Full-Time – 603

Jobs Expiring in January

One thing that we are frequently asked about is the availability of jobs for students. Beaver Careers is an amazing resource for students; here, they can make appointments with our office, register for events, and access career resources, but one of the most exciting features of Beaver Careers is its robust job board. If you have students asking you about jobs and internships, please encourage them to look on Beaver Careers, as more opportunities are being added every day! Here is a sample of some of the positions that are expiring in January:

- Assistant Viticulturist/Cellar Assistant (FT) - Trisaetumn Winery - Newberg, OR - [Apply by January 1, 2017](#)

Find a full list of companies attending at beaver.careers/expo

Agriculture
Engineering
Government & City Agencies
Natural Resources
Science

Find a full list of companies attending at beaver.careers/expo

For alternative formats or accommodations related to a disability, please contact The Career Development Center at 541-737-4085 or career@oregonstate.edu.

Of course, one of the things we are most excited about for winter term is the Career Expo! This term, we are having two days of fairs, but each day will have fairs in multiple locations. We are so excited about being able to bring so many employers to campus, and we welcome your assistance in promoting this opportunity to students. Please access our [digital kit](#), including screens, social media, and printable materials, by clicking [here](#).

Since we have so many employers and multiple locations for the winter Career Expo, we will need all the volunteers we can get! Please encourage your students to volunteer to help run this event; volunteering is an excellent way to gain one-on-one time with employers and build leadership experience, and of course, volunteering looks fantastic on a resume! Additionally, student groups who bring twelve or more volunteers have free access to a student sponsorship table at the Career Expo, which is a great way to promote your organization (limited to three student organizations).

[Volunteer sign up can be found here.](#)
