

NETWORKING MAP

Learning Outcome: After completing the map, students will be able to identify contacts in their personal networks as well as action steps for how to build on these connections.

STEP 1: For each of the categories below (Friends, OSU professors), identify someone who could be a good career connector (e.g., has knowledge of career paths, skills, subject knowledge, contacts, could support you somehow).

YOUR NAME:

COWORKER/SUPERVISOR:

FRIENDS:

PEERS/MENTORS:

OSU PROFESSORS/ADVISORS:

FAMILY OR OTHER:

STEP 2: At the top of each circle, write one of the names you brainstormed in Step 1. Below that, add 1 to 3 concrete ideas for how each could support your career, (e.g. write recommendations, make introductions, provide insight, answer questions).

STEP 3: (Optional) Contact 1-2 people from Step 1 and take a next action such as setting up an informational interview or asking career questions.
