From the Director

Dear Student:

Congratulations on starting your career search. Whether you're looking to earn a place in your field, enter graduate school, complete post-graduation service or take another path, we're here to help.

We'll give you the tools to become a profession-ready Oregon State University graduate.

This Career Guide is one of those tools. You'll start with self-assessments and career exploration and will continue to build your personal brand. You'll learn how to craft a résumé and cover letter that showcases your strengths and experiences. You'll learn how to interview, network and find opportunities.

Use the Career Guide with other Career Development Center resources, such as online tools, professional development workshops, industry treks and meetings with Career Development Center staff, and start carving your career path.

Brandi Fuhrman
Executive Director
